

# SONOMA STATE UNIVERSITY

## SCHOOL OF SCIENCE & TECHNOLOGY HEALTH PROFESSIONS ADVISORY PROGRAM

The Health Professions Advisory Program at Sonoma State University is an advising and support system for undergraduate and post-baccalaureate students preparing for careers in various health professions, including:

- **Medicine**
  - **Allopathic Medicine**
  - **Chiropractic Medicine**
  - **Osteopathic Medicine**
  - **Podiatric Medicine**
- **Dentistry**
- **Optometry**
- **Pharmacy**
- **Physician Assistant Program**
- **Veterinary Medicine**

Note: Advising for Nursing and Physical Therapy are provided by the Depts of Nursing and Kinesiology, respectively.

### Services available through this advisory program include:

- Academic advising specific to the student's chosen health professions field
- Providing health professions general information and a guest speaker series  
    Science 150: Introduction to Careers in the Health Professions (1 unit)
- Resources and information about health care fields, professional school programs, and various admissions criteria
- Guidance with the application process
- Mock application service and interview preparation
- Committee letter of recommendation containing an evaluation of the candidate
